GRAHAM MORRIS  
CYNBIDIUM ORCHID CLUB

Dear Graham,

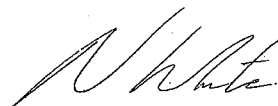

Thank you for your recent enquiry regarding Shade Houses.

Please be advised that the following applies to Shade Houses:

**If the glass house or shade house is fully enclosed (ie roof & walls are covered), the restrictions do not apply to the water used within them. This water use is classed as 'internal water use' which is not covered by the water restrictions.**

If you have any further queries, please contact one of our call centre operators on the Water Restrictions Hotline: 1800 130 952.

Yours sincerely,

**Neil White**
